

FICEMS STRATEGIC PLAN WHITE PAPER 2019

PROJECT SUMMARY

DECEMBER 12, 2019

- Project Overview
- Strategic Plan White Paper Review and Approval
- 2020 Strategic Plan Process
- Next Steps

PROJECT OVERVIEW

- The current FICEMS Strategic Plan was released in December 2013 and is at the end of its intended tenure
- Prior to the development of the next strategic plan, the White Paper:
 - Articulates progress toward implementing the 2013 goals and objectives
 - Describes the changing nature of EMS and 911 systems and mission
 - Details key considerations for developing the next strategic plan
- White Paper development process:
 - Conduct research to leverage existing materials on FICEMS activities and the EMS and 911 systems
 - Engage with stakeholders to validate findings developed from research
 - Write a white paper that articulates progress and the changing mission, while establishing guideposts for the next strategic plan

STRATEGIC PLAN WHITE PAPER
