
FICEMS STRATEGIC PLAN

FICEMS MEETING

JUNE 16, 2021

- Project Overview and Process
- FICEMS Mission, Vision, and Goals
- Next Steps

PROJECT OVERVIEW

- Develop new Strategic Plan for 2021–2025
- Build upon work completed in 2019 *Strategic Plan White Paper*
- Update plan for current EMS and 911 operating environment
- Include perspectives from 2020 National Pre-Hospital and Hospital Data Integration Summit
- Include forward-looking concepts from *EMS Agenda 2050*

STRATEGIC PLANNING PROCESS

- **Visioning:** identify FICEMS stakeholders and develop value proposition/logic model
- **Organizational Processes:** examine and update operating structure/procedures
- **Strategic Planning:** define goals and objectives and develop draft plan
- **Draft Plan Review:** update and publish final document

- **Participants**
 - FICEMS Members
 - TWG Members
 - Federal partners
 - Association and nonprofit partners

FICEMS STATUTORY PURPOSES

- A. To **ensure coordination among the Federal agencies** involved with State, local, tribal, or regional emergency medical services and 911 systems.
- B. To **identify** State, local, tribal, or regional emergency medical services and 911 **needs**.
- C. To **recommend new or expanded programs**, including grant programs, for improving State, local, tribal, or regional emergency medical services and implementing improved emergency medical services communications technologies, including wireless 911.
- D. To **identify ways to streamline** the process through which Federal agencies **support** State, local, tribal or regional emergency medical services.
- E. To **assist** State, local, tribal or regional emergency medical services **in setting priorities** based on identified needs.
- F. To **advise, consult, and make recommendations on** matters relating to the **implementation** of the coordinated State emergency medical services programs.

FICEMS MISSION AND VISION

Strategic Plan Mission Statement:

Ensure coordination and consistency among Federal agencies supporting Federal, state, local, tribal, and territorial emergency medical services and 911 systems to improve the delivery of services throughout the Nation

Strategic Plan Vision Statement:

A Federal interagency committee that enhances coordination and strategically aligns emergency medical services and 911 systems priorities among Federal agencies to ensure safe and effective delivery of healthcare in the out-of-hospital environment

STRATEGIC GOALS (1 OF 2)

- Goal 1** Coordinated and integrated Federal, state, local, tribal, and territorial EMS and 911 systems that provide safe and efficient high-quality patient care (A, B; 2, 4, 5)
- Goal 2** Data-driven, evidence-based, and standardized EMS and 911 systems that help to improve the quality of out-of-hospital patient care (C, F; 1, 2, 3, 6)
- Goal 3** EMS and 911 systems effectively integrated into Federal, state, local, tribal, and territorial preparedness planning, response, and recovery (A, E; 2, 3, 4)
- Goal 4** EMS and 911 systems that are people-centered, sustainable, forward-looking, and integrated with the overall healthcare system (C, D; 2, 4, 5, 6)

FICEMS Statutory Purposes

- A. Ensure coordination among Federal agencies involved with EMS and 911 systems
- B. Identify EMS and 911 systems needs
- C. Recommend new or expanded programs
- D. Identify ways to streamline Federal support
- E. Assist EMS and 911 systems in setting priorities
- F. Advise, consult, and make recommendations on implementation of coordinated EMS and 911 systems

EMS Agenda 2050 Guiding Principles

- 1. Inherently Safe and Effective
- 2. Integrated and Seamless
- 3. Reliable and Prepared
- 4. Socially Equitable
- 5. Sustainable and Efficient
- 6. Adaptable and Innovative

STRATEGIC GOALS (2 OF 2)

Goal 5 An EMS and 911 culture in which safety considerations for patients, practitioners, and the community permeate the full spectrum of activities (B, E, F; 1, 3, 4)

Goal 6 Uniform, credentialed EMS and 911 workforce with the education, skills, and competency to keep pace with evolving healthcare needs (B, C, F; 4, 6)

Goal 7 Federal interagency committee processes, operations, and strategies that enhance FICEMS effectiveness and adaptability (A, D, F; 2, 4, 6)

FICEMS Statutory Purposes

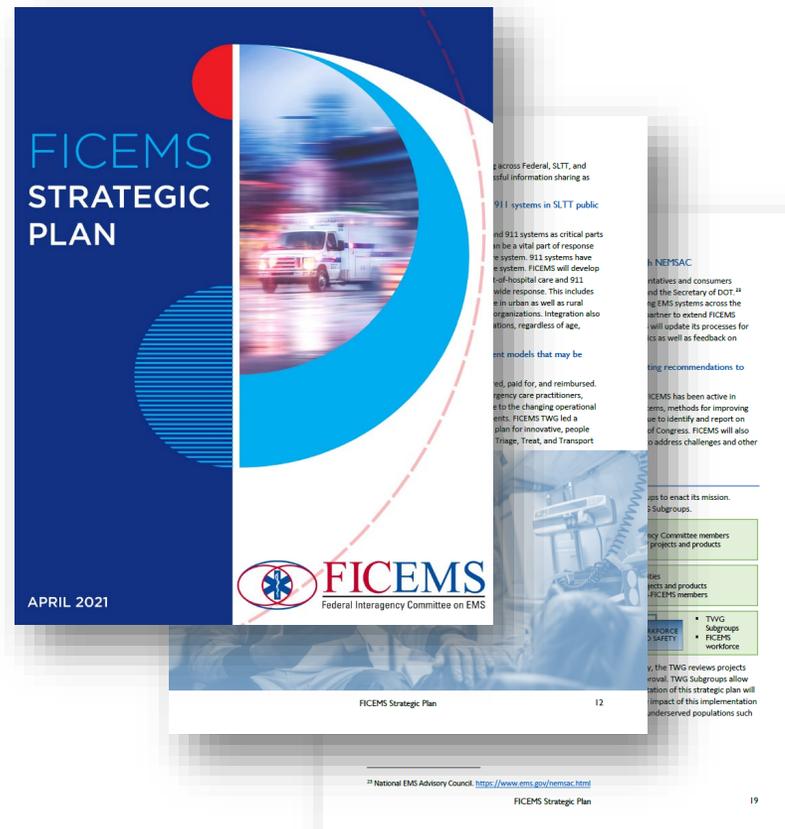

- A. Ensure coordination among Federal agencies involved with EMS and 911 systems
- B. Identify EMS and 911 systems needs
- C. Recommend new or expanded programs
- D. Identify ways to streamline Federal support
- E. Assist EMS and 911 systems in setting priorities
- F. Advise, consult, and make recommendations on implementation of coordinated EMS and 911 systems

EMS Agenda 2050 Guiding Principles

- 1. Inherently Safe and Effective
- 2. Integrated and Seamless
- 3. Reliable and Prepared
- 4. Socially Equitable
- 5. Sustainable and Efficient
- 6. Adaptable and Innovative
